

Safeguarding Policy

Overleaf Publishers Ltd · Version 1.0 · July 2026 · chainsawcourses.com

1. STATEMENT OF COMMITMENT

Overleaf Publishers Ltd is committed to safeguarding the welfare of all learners who access the Chainsaw Courses platform. Although this is an adult vocational platform, we acknowledge that adult learners may nonetheless be vulnerable in certain circumstances, and we take our duty of care seriously. We will not knowingly permit access to minors and will take steps to protect the welfare of all users.

2. SCOPE

This policy applies to all persons who access the Chainsaw Courses platform, all staff and contractors who develop or deliver course content, and all third parties who interact with learners on behalf of Overleaf Publishers Ltd. This is a platform for adult professionals; access by persons under the age of 18 is not permitted.

3. PREVENTION OF UNDER-18 ACCESS

The following measures are in place to prevent access by persons under the age of 18:

- Activation Codes are issued only upon purchase through our commercial platform, which requires the purchaser to confirm they are aged 18 or over.
- The digital waiver signed at the point of first access includes a declaration that the learner is aged 18 or over.
- The Platform's terms of service explicitly state that use is restricted to adults.

If we become aware or have reasonable grounds to believe that a person under the age of 18 has accessed the Platform, we will immediately revoke their access and investigate how access was gained.

4. DESIGNATED SAFEGUARDING CONTACT

The Designated Safeguarding Contact (DSC) for Overleaf Publishers Ltd is the Director. Any safeguarding concern should be reported immediately to info@chainsawcourses.com, marked 'SAFEGUARDING — URGENT'.

In an emergency or where there is immediate risk of harm, contact emergency services (999) before contacting the DSC.

5. ADULT SAFEGUARDING

Overleaf Publishers Ltd recognises that adult learners may be at risk of harm from others or from themselves. Any member of staff or contractor who becomes aware of a safeguarding concern involving an adult learner must:

- Report the concern to the DSC immediately.
- Not attempt to investigate the concern themselves.
- Document what they observed or were told, using the learner's own words where possible.
- Maintain confidentiality — share information only with those who need to know.

6. COURSE CONTENT AND SAFEGUARDING

Course content is reviewed to ensure it does not include material that could be used to cause harm. All safety-critical content is presented in a responsible and educational manner. The AI mock-test feature is restricted to

chainsaw safety topics only and is not capable of providing advice that could be used to harm others.

7. POLICY REVIEW

This safeguarding policy is reviewed annually or immediately following any safeguarding incident or change in relevant legislation or guidance. All staff and contractors are required to complete safeguarding awareness training appropriate to their role.
