5 | Data Subject Rights

Under UK GDPR, learners have the following rights:

- Right of access — to receive a copy of personal data held about them (subject access request)
- Right to rectification — to have inaccurate personal data corrected
- Right to erasure — to request deletion of personal data (subject to legal retention obligations)
- Right to restriction of processing — to request that processing is restricted in certain circumstances
- Right to data portability — to receive personal data in a structured, machine-readable format
- Right to object — to object to processing based on legitimate interests
- Rights related to automated decision-making — the platform's automated assessment does not produce legal or similarly significant decisions without human oversight

To exercise any of these rights, contact info@chainsawcourses.com. Requests will be responded to within one calendar month.
