5 | Safety Warning & Liability Waiver

IMPORTANT — PLEASE READ CAREFULLY

Chainsaw operation is a high-risk activity that can cause serious injury or death. This course provides theoretical training only. Completion of this course does NOT qualify you to operate a chainsaw professionally. Professional chainsaw operation in the UK requires a current, valid City & Guilds NPTC practical qualification obtained through an accredited assessment centre.

By accessing this platform you acknowledge and agree that:

- You will not use any knowledge gained from this course to operate a chainsaw unless you hold the appropriate NPTC practical qualification or are supervised by a qualified operator
- Overleaf Publishers Ltd accepts no liability for any injury, death, property damage, or financial loss arising from any practical chainsaw activity, regardless of whether the activity follows the content of this course
- The risk assessment, inspection checklist, and other tools on this platform are educational aids only and do not constitute a professionally validated safety management system
- It is your sole responsibility to ensure that you hold the correct qualifications, PPE, insurance, and risk assessments before undertaking any chainsaw work
- Overleaf Publishers Ltd accepts no liability for the accuracy of any site-specific risk assessment you create using the platform's tools — these are your own records and your responsibility

6 | Intellectual Property

All course content, text, video, diagrams, software, and associated materials on the chainsawcourses.com platform are the intellectual property of Overleaf Publishers Ltd or its licensors and are protected by copyright. You are granted a limited, non-transferable licence to access the course content for your personal educational use only. You may not reproduce, distribute, or create derivative works from any course content without our prior written consent.

7 | Platform Availability

We aim to maintain platform availability at all times but cannot guarantee uninterrupted service. Planned maintenance will be communicated in advance where possible. Unplanned outages will be resolved as quickly as practicable. We accept no liability for loss or inconvenience caused by platform unavailability, except where caused by our negligence.

8 | Termination of Access

We reserve the right to suspend or permanently terminate your access to the platform without notice if you breach these Terms, engage in malpractice (see Malpractice Policy), or if there is evidence of fraudulent activity. Termination for breach of terms does not entitle you to a refund.
