

REFUND & CANCELLATION POLICY

Overleaf Publishers Ltd — Chainsaw Courses | Version 1.0 | July 2026

1. INTRODUCTION

This policy applies to all purchases made from Chainsaw Courses (operated by Overleaf Publishers Ltd) and sets out your rights and our obligations in relation to refunds and cancellations. Overleaf Publishers Ltd is committed to fair and transparent customer service in accordance with UK consumer law.

2. COOLING-OFF PERIOD (DISTANCE SELLING)

Under the Consumer Contracts (Information, Cancellation and Additional Charges) Regulations 2013 you have the right to cancel your order within 14 calendar days of purchase without giving any reason, provided you have not yet activated your access code or begun to access the digital course content.

If you expressly request that we begin providing the digital service before the 14-day cooling-off period has expired, you acknowledge that you waive your right to cancel once access has been granted and course content has been accessed.

3. CANCELLATION BEFORE ACTIVATION

If you wish to cancel your order before activating your purchase code, please contact us within 14 days of purchase at info@chainsawcourses.co.uk with your order reference number. A full refund will be issued to your original payment method within 14 business days.

4. CANCELLATION AFTER ACTIVATION

Once your purchase code has been activated and course access has been granted, the digital product is deemed fully delivered. No refund is available in these circumstances unless a technical fault on our part has prevented you from accessing the course materials.

This is consistent with Regulation 37 of the Consumer Contracts Regulations 2013, which removes the cooling-off right for digital content once delivery has begun with the consumer's prior express consent.

5. TECHNICAL FAULT PROCESS

If you experience a technical issue that prevents access to the course content, you must:

1. Contact us at info@chainsawcourses.co.uk within 30 days of purchase.
2. Provide your full name, email address, purchase code, and a description of the issue.
3. Allow us a reasonable opportunity (up to 5 business days) to investigate and resolve the fault.

If we are unable to resolve the technical issue, you will be entitled to a full refund. We will not be liable for access issues caused by your own device, browser, internet connection, or third-party network restrictions.

6. DELIVERY

Digital Products

Digital course content (videos, quizzes, assessments, and the online training portal) is made available immediately upon code activation. There is no physical delivery for the digital component.

Physical Products

Where a physical product (such as a printed chainsaw manual or companion materials) is included with or ordered alongside your course, it will be shipped within 2–3 working days of your order being confirmed. Delivery is via standard UK Royal Mail or courier service. You will receive a dispatch notification by email. If your physical product has not arrived within 10 working days of dispatch, please contact us at info@chainsawcourses.co.uk.

7. HOW TO REQUEST A REFUND

To request a refund (where eligible under the terms above), please email info@chainsawcourses.co.uk with:

- Your full name and email address used at purchase.
- Your order reference number.
- The reason for your refund request.

We aim to respond to all refund requests within 3 business days. Approved refunds are processed within 14 business days to your original payment method.

8. EXCEPTIONS

Refunds will not be issued in the following circumstances:

- The purchase code has been activated and course content accessed (unless a verified technical fault applies).
- The 14-day cooling-off period has expired without a technical fault.
- The request is made more than 30 days after purchase.
- The issue is caused by factors outside our control (device compatibility, internet connectivity, etc.).
