

Terms & Conditions & Liability Waiver

Chainsaw Courses — Vocational Safety Training Platform

Version 1.0 | July 2026 | Overleaf Publishers Ltd

IMPORTANT: By activating your course licence and accessing this platform you confirm that you have read, understood, and agree to be legally bound by all terms set out in this document. If you do not agree, do not activate your licence.

PART A | Parties, Definitions & Scope

These terms govern all access to the chainsawcourses.com training platform.

- **Provider:** Overleaf Publishers Ltd, 69 Newstead Avenue, Orpington, BR6 9RW — operator of the Chainsaw Courses vocational safety training platform at chainsawcourses.com (referred to as "we", "us", or "the Company").
- **Delegate / Student:** The individual who has purchased and activated a course licence (referred to as "you" or "the Delegate").
- **Platform:** The Progressive Web Application at chainsawcourses.com, including all seven sequential training modules, quizzes, summative examination, integrated field tools, and supporting materials.
- **Course:** Chainsaw Maintenance & Cross Cutting (Ground Level Framework), Version 1.4 — a theoretical CPD eLearning programme providing 19 hours Total Qualification Time and 5 verifiable CPD points.
- **Activation Code:** A unique single-use alphanumeric code purchased through the Chainsaw Courses checkout that grants access to the Platform when entered with your registered name and email address.
- **Governing Law:** These terms are governed by the laws of England and Wales. Any disputes shall be subject to the exclusive jurisdiction of the courts of England and Wales.

PART B | Platform Access & Licence Terms

Your activation code grants a personal, non-transferable, single-device licence.

- **Single-User Licence:** Your activation code grants a personal, non-exclusive, non-transferable licence to access the Platform for the purpose of completing the Course. This licence is for your individual use only. Sharing your activation code, device, or credentials with any other person is strictly prohibited and constitutes a breach of these terms.
- **Device Bonding:** On first activation, your code is permanently bonded to the device UUID of the device from which you first log in. Access from a different device will be denied unless an administrator explicitly resets your device bond. You are responsible for ensuring you activate on a device you intend to use for the full course duration.
- **Sequential Access:** The seven training modules are delivered sequentially. Each module is locked until the preceding module video has been watched in full and the associated quiz passed at 80% minimum. There is no mechanism to bypass or skip modules, and no time limit on course completion.
- **Anti-Scrubbing:** Video timeline scrubbing is disabled on first viewing of each module. You must watch each video from start to finish to unlock the associated quiz and progress. Every seek attempt is logged to the database.
- **Dynamic Watermark:** All video content is overlaid with a personalised watermark displaying your registered full name and email address, repositioning every 60 seconds. By accessing the Platform you consent to this watermark being applied to all video content you view.
- **Intellectual Property:** All course content — including text, video, diagrams, quiz and examination questions, field tool content, and the companion printed manual — is the original intellectual property of Overleaf Publishers Ltd, protected by copyright. You may not reproduce, distribute, transmit, adapt, or create derivative works from any course content without our prior written consent.
- **Platform Availability:** We endeavour to maintain platform availability at all times but do not guarantee uninterrupted access. Scheduled maintenance, technical issues, or circumstances beyond our reasonable control may affect availability. We will provide advance notice of planned maintenance where practicable.

PART C | Liability Waiver — Seven Contractual Clauses

Each clause must be individually confirmed and a full digital signature captured before accessing any course content.

The seven clauses below form the legally-binding liability waiver signed by all Delegates before accessing course content. Each clause is confirmed by individual checkbox, followed by a full digital signature captured via touch or mouse canvas. The signed waiver is timestamped, stored as a PDF, and retained permanently by the Company.

1. Educational Intent Only

The materials provided within this course and companion manual serve strictly as theoretical references and study guides designed to support continuing professional development (CPD). They provide general guidance on best practices in chainsaw safety and operation but do not, under any circumstances, qualify the Delegate as a trained, competent, or certified chainsaw operator. Completion of this course is not a substitute for any form of practical training or field assessment.

2. No Certification Conferred

Completion of this online course and/or reading the companion manual does not grant any formal industry certification, practical licence, or qualification. Safe and lawful chainsaw operation mandates formal practical training, in-person field supervision by qualified instructors, and verified assessment against official industry standards including City & Guilds NPTC CS30 and CS31 or equivalent national frameworks. The Company makes no representation that this course satisfies any practical assessment requirement of any awarding body.

3. Regulatory Compliance

It is the sole responsibility of the Delegate to maintain full compliance with all relevant local and national regulations governing chainsaw operation and workplace safety. This includes, without limitation: the Health and Safety at Work etc. Act 1974; PUWER 1998; COSHH 2002; the Management of Health and Safety at Work Regulations 1999; all approved arboricultural and forestry codes of practice relevant to the Delegate's jurisdiction; and any employer-specific safe systems of work applicable to the tasks undertaken. The Company accepts no liability for any failure by the Delegate to comply with applicable legislation or industry codes.

4. Personal Protection & Absolute Sobriety

The Delegate is solely responsible for their own physical safety at all times. Whenever operating a chainsaw, the Delegate must wear the mandatory full set of CE/UKCA-rated PPE including: Class 1 or higher chainsaw trousers (Type A or Type C), cut-resistant chainsaw gloves (EN 381-7), chainsaw safety boots (EN ISO 20345 / EN 381-3), and a safety helmet with integral visor and ear defenders (EN 397 / EN 352-3). The Delegate must never undertake any chainsaw maintenance, starting, or operation while fatigued or under the influence of alcohol, prescription or recreational drugs, or any other substance that may impair judgement, reaction time, coordination, or physical capability.

5. Exclusion of Liability

To the maximum extent permitted by applicable law, the Delegate agrees that Overleaf Publishers Ltd, its directors, officers, employees, authors, affiliates, licensors, and distributors entirely disclaim all liability for: any direct, indirect, incidental, special, consequential, or punitive injuries, property damages, or financial losses arising from the use, misuse, or misapplication of the techniques, information, or guidance in this course and companion manual; any failure by the Delegate to adhere to established safety procedures, manufacturer's guidelines, legal requirements, or regional best practices; and any misinterpretation of the technical information contained in these training materials. Nothing in this clause limits any liability that cannot be excluded under English law, including liability for death or personal injury caused by negligence.

6. Disclaimer of Warranties

All educational materials are provided on an "as is" basis, without warranties of any kind — whether express, implied, or statutory — regarding their absolute accuracy, completeness, currency, or practical effectiveness in the field. The Company does not warrant that adherence to this course or companion manual will prevent workplace accidents, equipment failures, or injuries. The Company does not warrant that the Platform will be free from errors, interruptions, or security vulnerabilities, though all reasonable steps are taken to ensure quality and security.

7. Prohibition of Lone Working & Mandatory Emergency Supervision

The Delegate explicitly acknowledges and agrees that: (i) Lone Working Prohibition — the Delegate shall never, under any circumstances, start, operate, or practise with a chainsaw alone, whether performing commercial operations, private cutting, or basic field exercises; (ii) Mandatory Second Competent Person — whenever a chainsaw is in use, a second competent person must be physically present on-site within direct line of sight and clear audible range, un-engaged from distracting tasks; (iii) First Aid Competency — the required second person must hold active competency in emergency first aid, capable of managing catastrophic trauma injuries and severe haemorrhages; (iv) Emergency Resources — the supervising competent person must have immediate access to a trauma first aid kit with wound dressings and a tourniquet, plus an active communication device to contact emergency services; (v) Liability for Breach — any operation of a chainsaw while working alone constitutes a direct and hazardous breach of this Agreement. The Delegate assumes total, exclusive legal liability for all accidents, injuries, or fatalities arising from lone working and completely indemnifies the Company against any ensuing claims, losses, or legal proceedings.

PART D | General Provisions

- **Entire Agreement:** These Terms & Conditions and the signed Liability Waiver constitute the entire agreement between the Delegate and the Company in relation to the Platform and Course, superseding all prior communications, representations, or agreements, whether written or oral.
- **Severability:** If any provision of these terms is found to be invalid or unenforceable, that provision shall be severed without affecting the validity of the remaining provisions, which shall continue in full force and effect.

- **Amendments:** We reserve the right to update or amend these terms at any time. The version number and date shown on this document indicate the current version. Continued use of the Platform following notification of any amendment constitutes acceptance of the revised terms.
- **Contact:** For any questions regarding these terms, contact Overleaf Publishers Ltd at info@chainsawcourses.com or in writing at 69 Newstead Avenue, Orpington, BR6 9RW.
